I. PURPOSE:

The purpose of this Request for Proposal (RFP) is to solicit sealed proposals from qualified contractors for the preparation and deployment of the vessel *Freya* as an artificial reef. The selected contractor will be responsible for acquiring the vessel, preparing it in accordance with national reefing guidelines (<https://www.epa.gov/sites/default/files/2015-09/documents/artificialreefguidance.pdf>), and deploying it at the designated Windmill Point artificial reef site. Contractor must move the vessel from its current location as soon as possible or by no later 30 days from the receipt of contract.

II. BACKGROUND INFORMATION:

The *Freya* is a 30-foot, 4-inch steel-hulled vessel designed by Al Mason and built by Gilbert Klingel, a renowned Chesapeake Bay naturalist and author of *The Bay*. The vessel features:

- **Length on deck:** 30' 4"
- **Beam:** 9' 4"
- **Draft:** 5'
- **Hull:** Steel
- **Superstructure:** Wood (house sides, coamings, trim)
- **Engine:** Beta Marine diesel (condition unknown)
- **Fuel tanks:** Two, with residual diesel
- **Interior:** Mostly stripped; some wiring remains
- **Mast:** Stepped, approx. 36' in length

The *Freya* is currently held by the Matthews Maritime Foundation. (Gwynn's Island)

III. SCOPE OF WORK/STATEMENT OF NEEDS:

The contractor shall:

a. Obtain and Transport the Vessel

- Coordinate with the Matthews Maritime Foundation and Virginia Artificial Reef Program for acquisition and transport of the *Freya* to the preparation site.
- Contractor must move the vessel from its current location as soon as possible or by no later than 30 days after contract is awarded.

b. Prepare the Vessel for Reefing

- Clean and strip the vessel in accordance with the **U.S. Environmental**

Protection Agency (EPA) and U.S. Maritime Administration (MARAD) guidelines for vessel-to-reef preparation.

- Remove all hazardous materials, including:
 - Residual fuel and oil
 - Electrical wiring and batteries
 - Plastics, insulation, floatable materials
 - Any other pollutants or contaminants
- Ensure the vessel is environmentally safe for deployment.

c. Deployment

- Tow and deploy the vessel at the **Windmill Point artificial reef site**.
- Ensure deployment is made within the marked area within the reef boundary and meets **U.S. Coast Guard clearance requirements** and does not pose a navigational hazard.

All deployments must be made with Artificial Reef Program staff present.

The previously described material will be deployed at Windmill Point Reef Site. Gwynn’s Island Reef Site will be the alternative site for deployment.

Windmill Point Reef

Windmill Point Reef is located 1.4 nautical miles north of Windmill Point Light at 37 14.40N, 76 14.75W. Depths range from 20 to 30ft with a required minimum clearance of 15 Ft @ MLW.

Decimal Degrees: -76.229238,37.2399750

Alternate Deployment Site

Gwynn’s Island Reef Site

Gwynn’s Island Reef Site is located 1.35 nautical miles northeast of Hole in the Wall Creek at 37-28.878N,76-14.268W. This site offers depths of 25 to 30ft with a minimum authorized clearance of 14ft at MLW.

Operations associated with deployment of reef materials include:

Proper loading of the materials on a seaworthy barge of suitable design for transport of the described materials (if necessary); proper towing and securing of associated vessels, including any required Coast Guard communication; transport of the materials to the permitted reef site; positioning the barge so that materials are off-loaded in the precise location indicated by Artificial Reef Program/Fisheries Management Division personnel (who will meet the barge and tug on location and place a marker buoy or buoys as necessary) and safely off-load the materials with the proper clearance.

In reference to these operations, the following conditions must be observed:

- 1) Materials loaded onto the contractor's barge(s) must be properly loaded and secured to allow for their safe transport on Chesapeake Bay.
- 2) The tug towing the loaded barge or associated vessel should be sufficiently powered and otherwise equipped for towing.
- 3) The tug should also be sufficiently powered and maneuverable for effective position and station keeping during all phases of the off-loading process.
- 4) The tug should be equipped with a working, accurate GPS receiver and other marine electronics, including an operational VHF radio.
- 5) Any machinery used to off-load materials should be appropriate to the task at hand, sufficiently powered and maneuverable and capably operated to ensure efficient, accurate and safe off-loading of materials.
- 6) Consistent communications are required during the operation between the tug, barge and Artificial Reef Program/Fisheries Management Division personnel on site.
- 7) The contractor must ensure that all appropriate insurance coverage needed for this work is current.
- 8) Coast Guard authorized minimum clearances will be observed during deployment operations. The Reef Program will have a vessel on site to support off-loading operations by marking the deployment location(s) and periodically verifying clearances. In order to check the profile of materials as placed, the Reef Program vessel will radio the deployment crew, notify them to halt operations, and conduct sweeps over the area of placement. Once clearances are verified, the deployment crew will be notified to resume operations. In the event of a clearance infraction, the deployment crew will be required to take the necessary action(s) to remedy the situation.
- 9) Deployments will be conducted during daylight hours and not without Reef Program personnel present.
- 10) The Artificial Reef Program reserves the right to halt or cancel operations if on-site personnel consider weather conditions hazardous.
- 11) The Commonwealth will not take title to the referenced material.
- 12) The Commonwealth will not be responsible for the cost of transportation or deployment of the referenced material other than positioning and monitoring support during deployment operations.
- 13) The Commonwealth will not accept liability for any actions resulting from placement of the referenced material.

- 14) In the event of any infraction of any of these reef terms, the deployment crew will be required to take the necessary action(s) to remedy the infraction.

The contractor should attempt to provide Artificial Reef Program/Fisheries Management Division personnel with 48 hours' notice prior to the intended deployment of any materials and 24 hours' notice of cancellation of any scheduled deployment. Artificial Reef Program/Fisheries Management Division personnel will coordinate with the contractor regarding schedules, planned operations and specific deployment locations. Deployments must meet the scheduling requirements of the Artificial Reef Program Personnel, and the Artificial Reef Program reserves the right to cancel or reschedule any deployment for any reason.

Deployments are to be conducted weekdays (Monday through Friday), between sunrise and sunset. A reef program vessel will be on site to monitor the deployment operation. The vessel will be equipped with an operating fathometer to ensure appropriate clearance is being maintained. The reef program vessel will periodically halt deployment operations, as well as at the request of the contractor, to make transect runs over the immediate placement location to verify clearance. **No deployments will be conducted unless Artificial Reef Program/Fisheries Management Division personnel are present.** Infractions of clearance will be remediated by the contractor at the time of discovery, on-site. **In the event that equipment or other failures preclude immediate remediation of a clearance infraction, the contractor shall station a vessel to remain on location until such infraction is corrected.**

Weather, especially sea conditions, is a critical factor in assuring safe and effective deployment of reef materials. For this reason, deployment operations will only be initiated when the sea conditions in the operations area no greater than 1.5 to 2.0 feet in height, and wind speeds are no higher than 10 knots, as forecasted by the NOAA weather office in Wakefield, Virginia, unless other is agreed upon by Artificial Reef Program/Fisheries Management Division personnel and the contractor. The final decision to proceed will be with the contractor; however, **THE ARTIFICIAL REEF PROGRAM/FISHERIES MANAGEMENT DIVISION RESERVES THE RIGHT TO SUSPEND OFF-LOADING OPERATIONS IF POSITIONING AND OTHER DEPLOYMENT CRITERIA ARE NOT BEING MET.**

B. AWARD OF CONTRACT: Selection shall be made of two or more DSBSD-certified micro business offerors deemed to be fully qualified and best suited among those submitting proposals on the basis of the evaluation factors included in the Request for Proposals, including price, if so stated in the Request for Proposals, provided that the price proposal is up to and including \$10,000. Negotiations shall be conducted with the offerors so selected. Price shall be considered, but need not be the sole determining factor. After negotiations have been conducted with each offeror so selected, the agency shall select the offeror which, in its opinion, has made the best proposal, and shall award the contract to that offeror. The Commonwealth may cancel this Request for Proposals or reject proposals at any time prior to an award, and is not required to furnish a statement of the reasons why a particular proposal was not deemed to be the most advantageous (Code of Virginia, § 2.2-4359D). Should the Commonwealth determine in writing and in its sole discretion that only one DSBSD-certified micro business offeror is fully qualified, or that one such offeror is clearly more highly qualified than the others under consideration, a contract may be negotiated and awarded to that offeror. Any award to a DSBSD-certified micro business offeror pursuant to the above process may be made only if the price as negotiated remains under \$10,000. The award document will be a contract incorporating by reference all the requirements, terms and conditions of the solicitation and the contractor’s proposal as negotiated. If the agency in its sole discretion determines that the above criteria for limiting the negotiation to micro businesses are not present, the agency shall follow the same process as specified above, but restricting the negotiation instead to DSBSD-certified small business offerors, provided that the price proposal is not more than \$100,000. If the agency determines that the above criteria for limiting the negotiation to small businesses are not present, the agency shall follow the same process as specified above, but without restricting the negotiation to small or micro business offerors.

VI. REPORTING AND DELIVERY INSTRUCTIONS: Where it is practicable for any portion of the awarded contract to be subcontracted to other suppliers, the contractor is encouraged to offer such subcontracting opportunities to small

businesses. This shall include DMBE-certified women-owned and minority-owned businesses when they have received DMBE small business certification. If small business subcontractors are used, the prime contractor agrees to report the use of small business subcontractors by providing the purchasing office at a minimum the following information: name of small business, phone number, total dollar amount subcontracted, category type (small, women-owned, or minority-owned), and type of product/service provided.

VII. PREPROPOSAL CONFERENCE: Omitted.

VIII. GENERAL TERMS AND CONDITIONS, GOODS AND NONPROFESSIONAL SERVICES:

- A. **VENDORS MANUAL:** This solicitation is subject to the provisions of the Commonwealth of Virginia Vendors Manual and any changes or revisions thereto, which are hereby incorporated into this contract in their entirety. The process for filing a complaint about this solicitation is in section 7.13 of the Vendors Manual. (Note section 7.13 does not apply to protests of awards or formal contractual claims.) The procedure for filing contractual claims is in section 7.19 of the Vendors Manual. A copy of the manual is normally available for review at the purchasing office and is accessible on the Internet at www.eva.virginia.gov under "I Sell To Virginia".
- B. **APPLICABLE LAWS AND COURTS:** This solicitation and any resulting contract shall be governed in all respects by the laws of the Commonwealth of Virginia, without regard to its choice of law provisions, and any litigation with respect thereto shall be brought in the circuit courts of the Commonwealth. The agency and the contractor are encouraged to resolve any issues in controversy arising from the award of the contract or any contractual dispute using Alternative Dispute Resolution (ADR) procedures (Code of Virginia, § 2.2-4366). ADR procedures are described in Chapter 9 of the Vendors Manual. The contractor shall comply with all applicable federal, state and local laws, rules and regulations.
- C. **ANTI-DISCRIMINATION:** By submitting their price quote, offerors certify to the Commonwealth that they will conform to the provisions of the Federal Civil Rights Act of 1964, as amended, as well as the Virginia Fair Employment Contracting Act of 1975, as amended, where applicable, the Virginians With Disabilities Act, the Americans With Disabilities Act and § 2.2-4311 of the Virginia Public Procurement Act (VPPA). If the award is made to a faithbased organization, the organization shall not discriminate against any recipient of goods, services, or disbursements made pursuant to the contract on the basis of the recipient's religion, religious belief, refusal to participate in a religious practice, or on the basis of race, age, color, gender sexual orientation, gender identity, or national origin and shall be subject to the same rules as other organizations that contract with public

bodies to account for the use of the funds provided; however, if the faith-based organization segregates public funds into separate accounts, only the accounts and programs funded with public funds shall be subject to audit by the public body. (Code of Virginia, § 2.2-4343.1E).

In every contract over \$10,000 the provisions in 1. and 2. below apply:

1. During the performance of this contract, the contractor agrees as follows:

a. The contractor will not discriminate against any employee or applicant for employment because of race, religion, color, sex, sexual orientation, gender identity, national origin, age, disability, veteran status, status as military family, or any other basis prohibited by state law relating to discrimination in employment, except where there is a bona fide occupational qualification reasonably necessary to the normal operation of the contractor. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this nondiscrimination clause.

b. The contractor, in all solicitations or advertisements for employees placed by or on behalf of the contractor, will state that such contractor is an equal opportunity employer.

c. Notices, advertisements and solicitations placed in accordance with federal law, rule or regulation shall be deemed sufficient for the purpose of meeting the requirements of this section.

d. If the contractor employs more than five employees, the contractor shall (i) provide annual training on the contractor's sexual harassment policy to all supervisors and employees providing services in the Commonwealth, except such supervisors or employees that are required to complete sexual harassment training provided by the Department of Human Resource Management, and (ii) post the contractor's sexual harassment policy in (a) a conspicuous public place in each building located in the Commonwealth that the contractor owns or leases for business purposes and (b) the contractor's employee handbook.

e. The requirements of these provisions 1. and 2. are a material part of the contract. If the Contractor violates one of these provisions, the Commonwealth may terminate the affected part of this contract for breach, or at its option, the whole contract. Violation of one of these provisions may also result in debarment from State contracting regardless of whether the specific contract is terminated.

f. In accordance with Executive Order 61 (2017), a prohibition on discrimination by the contractor, in its employment practices,

subcontracting practices, and delivery of goods or services, on the basis of race, sex, color, national origin, religion, sexual orientation, gender identity, age, political affiliation, disability, or veteran status, is hereby incorporated in this contract.

2. The contractor will include the provisions of 1. above in every subcontract or purchase order over \$10,000, so that the provisions will be binding upon each subcontractor or vendor.

D. **ETHICS IN PUBLIC CONTRACTING:** By submitting their proposals, offerors certify that their proposals are made without collusion or fraud and that they have not offered or received any kickbacks or inducements from any other offeror, supplier, manufacturer or subcontractor in connection with their proposal, and that they have not conferred on any public employee having official responsibility for this procurement transaction any payment, loan, subscription, advance, deposit of money, services or anything of more than nominal value, present or promised, unless consideration of substantially equal or greater value was exchanged.

E. **IMMIGRATION REFORM AND CONTROL ACT OF 1986:** Applicable for all contracts over \$10,000: By entering into a written contract with the Commonwealth of Virginia, the Contractor certifies that the Contractor does not, and shall not during the performance of the contract for goods and services in the Commonwealth, knowingly employ an unauthorized alien as defined in the federal Immigration Reform and Control Act of 1986.

F. **DEBARMENT STATUS:** By participating in this procurement, the vendor certifies that they are not currently debarred by the Commonwealth of Virginia from submitting a response for the type of goods and/or services covered by this solicitation. Vendor further certifies that they are not debarred from filling any order or accepting any resulting order, or that they are an agent of any person or entity that is currently debarred by the Commonwealth of Virginia.

If a vendor is created or used for the purpose of circumventing a debarment decision against another vendor, the non-debarred vendor will be debarred for the same time period as the debarred vendor.

G. **ANTITRUST:** By entering into a contract, the contractor conveys, sells, assigns, and transfers to the Commonwealth of Virginia all rights, title and interest in and to all causes of action it may now have or hereafter acquire under the antitrust laws of the United States and the Commonwealth of Virginia, relating to the particular goods or services purchased or acquired by the Commonwealth of Virginia under said contract.

H. **MANDATORY USE OF STATE FORM AND TERMS AND CONDITIONS FOR RFPs:**

1. (For Request For Proposals): Failure to submit a proposal on the official state form provided for that purpose may be a cause for rejection of the proposal. Modification of or additions to the General Terms and Conditions of the solicitation may be cause for rejection of the proposal; however, the Commonwealth reserves the right to decide, on a case by case basis, in its sole discretion, whether to reject such a proposal.

- I. **CLARIFICATION OF TERMS:** If offeror has questions about the specifications or other solicitation documents, the prospective offeror should contact the buyer whose name appears on the face of the solicitation no later than five working days before the due date. Any revisions to the solicitation will be made only by addendum issued by the buyer.

J. **PAYMENT:**

1. To Prime Contractor:
 - a. Invoices for items ordered, delivered and accepted shall be submitted by the contractor directly to the payment address shown on the purchase order/contract. All invoices shall show the state contract number and/or purchase order number; social security number (for individual contractors) or the federal employer identification number (for proprietorships, partnerships, and corporations).
 - b. Any payment terms requiring payment in less than 30 days will be regarded as requiring payment 30 days after invoice or delivery, whichever occurs last. This shall not affect offers of discounts for payment in less than 30 days, however.
 - c. All goods or services provided under this contract or purchase order, that are to be paid for with public funds, shall be billed by the contractor at the contract price, regardless of which public agency is being billed.
 - d. The following shall be deemed to be the date of payment: the date of postmark in all cases where payment is made by mail, or when offset proceedings have been instituted as authorized under the Virginia Debt Collection Act.

- e. **Unreasonable Charges.** Under certain emergency procurements and for most time and material purchases, final job costs cannot be accurately determined at the time orders are placed. In such cases, contractors should be put on notice that final payment in full is contingent on a determination of reasonableness with respect to all invoiced charges. Charges which appear to be unreasonable will be resolved in accordance with *Code of Virginia*, § 2.2-4363 and -4364. Upon determining that invoiced charges are not reasonable, the Commonwealth shall notify the contractor of defects or improprieties in invoices within fifteen (15) days as required in *Code of Virginia*, § 2.2-4351. The provisions of this section do not relieve an agency of its prompt payment obligations with respect to those charges which are not in dispute (*Code of Virginia*, § 2.2-4363).

2. To Subcontractors:

- a. Within seven (7) days of the contractor's receipt of payment from the Commonwealth, a contractor awarded a contract under this solicitation is hereby obligated:

- (1) To pay the subcontractor(s) for the proportionate share of the payment received for work performed by the subcontractor(s) under the contract; or

- (2) To notify the agency and the subcontractor(s), in writing, of the contractor's intention to withhold payment and the reason.

- b. The contractor is obligated to pay the subcontractor(s) interest at the rate of one percent per month (unless otherwise provided under the terms of the contract) on all amounts owed by the contractor that remain unpaid seven (7) days following receipt of payment from the Commonwealth, except for amounts withheld as stated in (2) above. The date of mailing of any payment by U. S. Mail is deemed to be payment to the addressee. These provisions apply to each sub-tier contractor performing under the primary contract. A contractor's obligation to pay an interest charge to a subcontractor may not be construed to be an obligation of the Commonwealth.

- 3. Each prime contractor who wins an award in which provision of a SWAM procurement plan is a condition to the award, shall deliver to the contracting agency or institution, on or before request for final payment, evidence and certification of compliance (subject only to insubstantial shortfalls and to shortfalls arising from subcontractor

default) with the SWAM procurement plan. Final payment under the contract in question may be withheld until such certification is delivered and, if necessary, confirmed by the agency or institution, or other appropriate penalties may be assessed in lieu of withholding such payment.

4. The Commonwealth of Virginia encourages contractors and subcontractors to accept electronic and credit card payments.
- K. **PRECEDENCE OF TERMS:** The following General Terms and Conditions *VENDORS MANUAL*, APPLICABLE LAWS AND COURTS, ANTI-DISCRIMINATION, ETHICS IN PUBLIC CONTRACTING, IMMIGRATION REFORM AND CONTROL ACT OF 1986, DEBARMENT STATUS, ANTITRUST, MANDATORY USE OF STATE FORM AND TERMS AND CONDITIONS, CLARIFICATION OF TERMS, PAYMENT shall apply in all instances. In the event there is a conflict between any of the other General Terms and Conditions and any Special Terms and Conditions in this solicitation, the Special Terms and Conditions shall apply.
- L. **QUALIFICATIONS OF OFFERORS):** The Commonwealth may make such reasonable investigations as deemed proper and necessary to determine the ability of the offeror to perform the services/furnish the goods and the offeror shall furnish to the Commonwealth all such information and data for this purpose as may be requested. The Commonwealth reserves the right to inspect offeror's physical facilities prior to award to satisfy questions regarding the offeror's capabilities. The Commonwealth further reserves the right to reject any proposal if the evidence submitted by, or investigations of, such offeror fails to satisfy the Commonwealth that such offeror is properly qualified to carry out the obligations of the contract and to provide the services and/or furnish the goods contemplated therein.
- M. **TESTING AND INSPECTION:** The Commonwealth reserves the right to conduct any test/inspection it may deem advisable to assure goods and services conform to the specifications.
- N. **ASSIGNMENT OF CONTRACT:** A contract shall not be assignable by the contractor in whole or in part without the written consent of the Commonwealth.
- O. **CHANGES TO THE CONTRACT:** Changes can be made to the contract in any of the following ways:
1. The parties may agree in writing to modify the terms, conditions, or scope of the contract. Any additional goods or services to be provided shall be of a sort that is ancillary to the contract goods or

services, or within the same broad product or service categories as were included in the contract award. An increase or decrease in the price of the contract resulting from such modification shall be agreed to by the parties as a part of their written agreement to modify the scope of the contract.

2. The Purchasing Agency may order changes within the general scope of the contract at any time by written notice to the contractor. Changes within the scope of the contract include, but are not limited to, things such as services to be performed, the method of packing or shipment, and the place of delivery or installation. The contractor shall comply with the notice upon receipt, unless the contractor intends to claim an adjustment to compensation, schedule, or other contractual impact that would be caused by complying with such notice; in which case the contractor shall, in writing, promptly notify the Purchasing Agency of the adjustment to be sought, and before proceeding to comply with the notice, shall await the Purchasing Agency's written decision affirming, modifying, or revoking the prior written notice. If the Purchasing Agency decides to issue a notice that requires an adjustment to compensation, the contractor shall be compensated for any additional costs incurred as the result of such order and shall give the Purchasing Agency a credit for any savings. Said compensation shall be determined by one of the following methods:
 - a. By mutual agreement between the parties in writing; or
 - b. By agreeing upon a unit price or using a unit price set forth in the contract, if the work to be done can be expressed in units, and the contractor accounts for the number of units of work performed, subject to the Purchasing Agency's right to audit the contractor's records and/or to determine the correct number of units independently; or
 - c. By ordering the contractor to proceed with the work and keep a record of all costs incurred and savings realized. A markup for overhead and profit may be allowed if provided by the contract. The same markup shall be used for determining a decrease in price as the result of savings realized. The contractor shall present the Purchasing Agency with all vouchers and records of expenses incurred and savings realized. The Purchasing Agency shall have the right to audit the records of the contractor as it deems necessary to determine costs or savings. Any claim for an adjustment in price under this provision must be asserted by written notice to the Purchasing Agency within thirty (30) days from

the date of receipt of the written order from the Purchasing Agency. If the parties fail to agree on an amount of adjustment, the question of an increase or decrease in the contract price or time for performance shall be resolved in accordance with the procedures for resolving disputes provided by the Disputes Clause of this contract or, if there is none, in accordance with the disputes provisions of the Commonwealth of Virginia *Vendors Manual*.
